Year 11 embark on their final few months... a message from the Principal

Can you believe it - we are already less than 100 days until the first exam. The year is flying by. That said, you can still make a significant difference to your final grades and we are confident that this is exactly what you will do. You know what you need to do. And if you are somewhat unsure, we know what you need to do, so talk to us. Do not leave it, do not ponder and let it worry you. We care, a lot. We want the best outcomes for you to enable and create many opportunities for you all, as you continue on the next stage of your journey.

You are a wonderful group of young people. You are amazing to work with. You make us smile, and sometimes, not smile! You make us think. You make us frustrated when you doubt your ability to succeed for some of you. But most of all, you make us proud! You are working hard, revising and performing brilliantly and we cannot wait to see you all celebrate on results day. But for now, keep it going. You've got this!

Final Y11 Parent
and Carer evening
- in person and

available

Year 11 will be invited to two very special celebrations at the end of the year. Mr McGilloway and I have spoken to the students about how this privilege will work.

Students will be put onto a level according to their conduct and citizenship. Those on the top level will have an invite to both the Prom and in – school Celebration event.

Those on the second level will be invited to the in – school event but not the Prom. Those who are on the lowest level due to conduct or poor attitude will not be invited to either event.
