Year 11 Curriculum Journey

ACADEMY

Y11 Curriculum Overview

Core Subjects:

All students in Y11 study all core subjects and are allocated 5 periods of each a week:

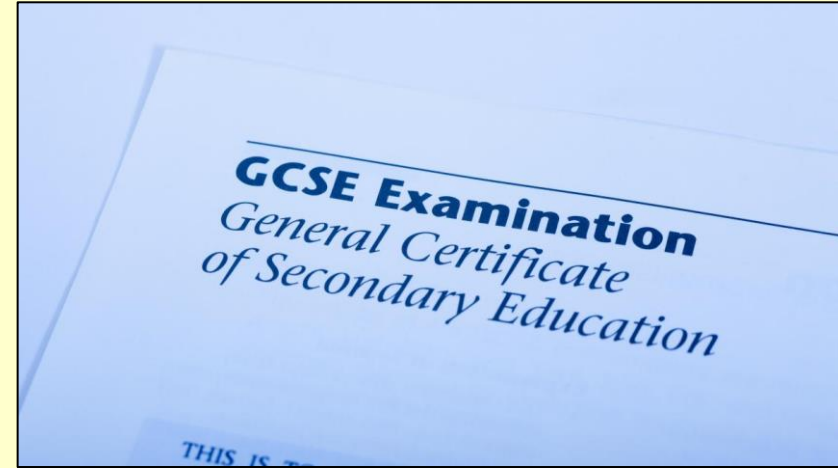

- **English Literature**
- **English Language**
- **Maths** (opportunity for additional GCSE in Further Maths in Y11)
- **Science (Combined or Separate*)** – students who study separate science are allocated 9 periods as they are studying towards 3 separate science GCSE grades.

Option Subjects:

Alongside their core subjects, students in Y10 also study 4 'options' based on their preferences chosen in Y9.

These options are divided into 4 blocks A-D and are allocated 3 periods a week. This is usually a double and a single lesson.

P7 is an additional lesson designed to support students further with their core/option subjects

Y11 RA Roadmap

#extraordinary

- ❑ The RA roadmap outlines the year ahead and allows our Y11 students to see their journey through the first year of their GCSEs.
- ❑ Key dates and information is plotted along the roadmap to guide students and help them be prepared for important dates and events across the year.
- ❑ Y11 students already have access to this roadmap in tutor time, so they are aware of upcoming deadlines/important dates.
- ❑ Printed copies available to collect in the dining hall extension at the end and an example Y11 Roadmap will also be available.

How we are supporting our KS4 students...

Morning tutorials - bespoke KS4 tutorial programme focused on Reading, Revision & Exam Strategies, Wellbeing & Resilience. Opportunities during tutor time for additional tuition in Maths, English and Science.

PSHE lessons – focused on statutory content but also an opportunity for additional tuition in Maths, English and Science, Vocational (coursework subjects) and General revision using strategies from tutor

PPE Masterclasses / Raise a Grade Days across key subject areas to support students and to stretch students to reach top grades (7-9). **Flexible teaching groups** - change classes to support their needs.

Drop Down Days (coursework completion in line with vocational deadlines)

Small group work in lessons / teacher assessment and feedback / bespoke interventions / 1:1 support

Revision Breakfast Club in the LRC (8-8:30am) everyday & Homework Club C1
P7 revision offer (fortnightly timetable)

Morning Tutorials

- Morning Tutorials take place every morning from 8:45-9:05am.
- Our tutorial programme is designed with the needs of the year group in mind and will adapt across the year to cater for what they need (e.g. college applications)
- Learning taking place in tutorials is just as important as the learning taking place in a subject lesson.
- Attendance and engagement to tutor time really matters.

Year 11 students are expected to attend at least 2 period 7 sessions per week between now and their Autumn PPEs.

What can Y11 students do to support themselves?

- **Attend school and attend lessons, every day** – including tutor time!
 - Morning tutorials will focus revision strategies, remind them of key dates, opportunities for tutoring and 1.1 support with their tutor and other colleagues.
- **Be on time** to school everyday and to **every lesson**. Every minute of the day is important for their progress and success.
- **Ask if they need help** –teacher's email are: firstname.lastname@clf.uk
 - If unsure email: nichole.forster@clf.uk
- **Make the most** of their time in learning and work hard – it will pay off!
- **Have the courage** to do the thing that they might find challenging – have high aspirations and ambitions.
- **Make the right choices** so that this year they can focus on their future.
