Dear Parent / Guardian/Carer,

At Broadoak Academy, we do not rest on meeting potential, we maximise potential and look beyond it because we care that every student moves onto the next stage of their journey with the confidence to succeed.

This means that as a school community we will be relentless in supporting every student to have the highest possible attendance so they can achieve their best and be ready for their next steps.

Attendance

In line with our ethos and Year 11 parents evening recently, we have focused on your child's attendance to school and attendance to their timetabled lessons. Where student attendance meets our expectations, we have rewarded students with **15 additional house points**.

If your child has not received these house points, we will be inviting you in to follow up with an attendance meeting. This meeting is to share information with you and hear your views. We will not only share your child's overall school attendance, but more importantly their attendance to individual lessons. These meetings are designed to give you the information you need to support your child more specifically with individual subjects in the lead up to GCSEs. These meetings are deliberately planned to follow parent carer evening so you have their achievement information and their attendance information at the same time.

Punctuality

Can we remind you the timings of the day:

- School site is open at 8am for breakfast, all students are welcome
- 8.30am all students should be arriving onto site
- 8.45am - ALL students in tutor group for registration
