

**BROADOAK**  
**ACADEMY**  
Time Courage Choice

Dear Beech House Students and Families,

As I take on the role of Acting Designated Safeguarding Lead at Broadoak Academy, Mrs Turk will be stepping into the position of Head of House for Beech Bears between now and the next academic year. I will continue to work closely with Mrs Turk to ensure a smooth and seamless transition. I have every confidence that Beech Bears are in excellent hands, and that all our students will continue to grow, achieve, and thrive under her guidance and support. I look forward to returning to the role in the near future and seeing the continued success of our Beech Bears community.

Warm wishes,  
Jen Laity

Dear Beech House Families,

I am delighted to introduce myself as the Head of Beech House for the remainder of this academic year. Mrs Laity will continue to be an important part of our community as she takes on additional responsibilities within the Safeguarding Team at Broadoak. I look forward to building on her excellent work and ensuring continuity and support for all of our Beech Bears. You may already know me, as I have been part of the Broadoak community since 2023 as your child's Drama teacher and the PSHE Lead. Beyond the classroom, I am very proud to have established the first girls' football teams in Broadoak's history and to lead after-school training sessions. I have also directed the academy productions of The Addam's Family, Shrek and this year - The Wizard of Oz. I love working with our students to create opportunities that enable them to discover their strengths, build courage, and express themselves. My passion for helping students grow, challenge themselves, and take pride in their achievements is what inspired me to take on the role of Head of Beech House.

I believe every child can be successful where strong relationships are developed and the child feels valued and motivated to be their best. I am really looking forward to working closely with Beech students and their families to ensure they feel supported to make the right choices each day and get the most out of their time at school.

I would like to take a moment to acknowledge the fantastic work that Mrs Laity, Mrs Deal and the tutor team have done (and continue to do) with the Beech Bears. What a remarkable team of staff and students I am joining.

Warm regards,

Kayleigh Turk
