Dear Year 6 Pupils and Parents / Carers,

I would like to personally invite you and your family to Broadoak Academy's Open Evening on **Thursday 14th September 2023 at 5pm.**

At Broadoak we understand that making the right choice for your child's secondary education is one of the most important decisions you will have to make. Therefore we promise an informative and enjoyable evening for those parents considering our academy, to answer all the questions and any concerns that you and your child may have about making the best choice of school for your family.

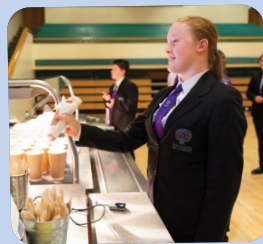

This evening will give you and your family the opportunity to tour our school and meet the staff and students. There will be a presentation and opportunities for you to meet with key staff, who will be delighted to answer questions that we know are essential to help you make your choice. We will be offering advice for parents about making an application, information about our results, curriculum, student care and extracurricular activities.

The academy prospectus and information pack will also be available for you to collect on the evening. Please visit www.broadoakacademy.clf.uk which is full of information for both parents and students, about our school and life at Broadoak Academy.

I very much hope that you will be able to attend. We will be holding open mornings where you can see the academy "in action". There will be guided tours at 9am daily between **Tuesday 19th and Friday 22nd September 2023.**

I look forward to welcoming you to our academy.

Yours faithfully,
Mr D McGilloway
Principal
