June 2022

Dear Parents, Carers and Students,

Enrichment Week – Monday 18th to Thursday 21st July

On Monday 18th July 2022 until Thursday 21st we will be running our annual Enrichment Week. During these days we will be running a number of reward trips, external visitors will be coming into school and we will be running sessions to compliment the core curriculum.

After a long period where team building, physical activity and other socialisation activities were more difficult due to COVID-19 we are pleased to be able to offer some very important activity days to our students here at Broadoak. All students are expected to attend everyday, as the activities will be part of their wider curriculum offer. Also, these activity days will support them in building teams within both their houses and tutor groups.

The following trips will be offered at a low cost to all children. A small number of students will be given free places as a reward for hard work, effort and community minded behaviour within their houses. If your child has a free place offered, you will be notified separately and the reasons for this reward.

Trips on offer:

Monday 18th – Adventure Bristol Activities (based on site at Broadoak)

Adventure Bristol will be bringing a climbing wall, bubble football, laser tag, disc frisbee and more to our beautiful playing fields for a day of adventure and fun in the sun!
