

Monday 25th March 2019

Dear Parent / Carer,

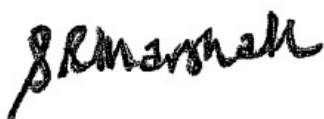

Ref: Multi-Academy Trust Update

As outlined in our previous letter, the period of listening regarding Broadoak's plans to join the Cabot Learning Federation has now come to a close and we are writing with responses and next steps.

Thank you very much to those who offered feedback, whether verbally or in writing, and to those who attended our information evening. It has been appreciated. We are heartened by the positive responses received and pleased to share with you that no serious issues have been raised. The governing body has found it useful to hear your thoughts on the proposal.

We are continuing with due diligence (the exercise that will inform the basis of a transfer arrangement) between Broadoak and the Cabot Learning Federation over the coming weeks. We will be back in touch with you once there is further substantive news.

Yours faithfully,

Mrs S Marshall
Chair of Governors

Ms K McGillicuddy
Headteacher

'Maximising students' abilities, ambitions and academic potential'
