Dear Parents and Carers,

Re: Student Support Team Update

Stay at Home, Protect the NHS, Save Lives.

First and foremost, the Student Support Team and I hope that you and your families are all well and managing to cope during these very challenging times. We have certainly missed seeing your child over the last few weeks and think of them often.

I just wanted to send this email to reassure you and your child that even though we are not physically at school at the moment, we will be doing everything we possibly can to support you both during this unusual time.

You might find the following website a useful source of information. BBC Bitesize have produced a variety of lessons, articles and websites to help support you:

<https://www.bbc.co.uk/bitesize/articles/zh9v382>

We will no doubt be in touch again towards the end of Term 5 to outline plans moving forward. These plans will obviously depend upon further national announcements regarding lockdown and arrangements for schools.

Thank you for your understanding and we look forward to speaking with you soon.

Stay safe,

Bella Wilson and the Student Support Team
