Broadoak Academy is proud to champion The Halo Code and the right of staff and students to embrace all Afro-hairstyles. We acknowledge that Afro-textured hair is an important part of our black staff and students' racial, ethnic, cultural, and religious identities, and requires specific styling for hair health and maintenance.

We welcome Afro-textured hair worn in all styles including, but not limited to, afros, locs, twists, braids, cornrows, fades, hair straightened through the application of heat or chemicals, weaves, wigs, headscarves, and wraps (either in black or the Academy purple).

At this school, we recognise and celebrate our staff and students' identities. We are a community built on an ethos of equality and respect where hair texture and style have no bearing on anyone's ability to succeed.
