

13th January 2025

Dear Parent/Guardian,

Your child has been specially chosen to participate in an innovative three-day course designed and led by our staff at **IntoUniversity**. **IntoUniversity** is an educational partner of Broadoak Academy and we are very pleased to be offering this unique opportunity to a small number of its students.

Leadership in FOCUS is a hands-on and fun course that aims to help young people to unlock their potential and think about goal-setting for the future. Students will take part in a variety of team challenges and individual exercises that will develop teamwork, communication and negotiation skills. The course will help students to think about how to become leaders in their own lives and how to have a positive impact on others' lives. At the end of the course, students will receive a certificate in recognition of their commitment and will take away with them many skills and tools to apply in their lives.

- The course will take place from **Wednesday 22nd January - Friday 24th January** at our learning centre on St Andrew's Parade, Weston-Super-Mare BS23 3SS.
- The students will be attending only for the morning and will travel to and from the centre with the schools minibus. It is important they are not late for school as they will miss the bus.
- They will be back in time for lunch, and so will not need to bring lunch with them.
- Students attending this programme will be accompanied by a Broadoak Academy member of staff at all times.

We very much hope your child will be able to attend and we look forward to meeting them soon. If you have any queries, or would simply like to find out more about the services we provide here, please do not hesitate to contact us on **01934 314238**.

Kind regards

Ellie Irish
