

# Exams

**Exam Timetables** – these have been sent to parent/ carers in the post this week. Students were given a printed copy two weeks ago. Spare copies are available in the main office should students need them.

**Exam finish times** – some exams will run past 3pm. Please ensure you have checked your child's exam timetable so you know what time their afternoon exams will be due to finish. The exam duration times on the printed timetable do not include any extra time your child may be entitled to as part of their exam access arrangements.

**Exam information** – all relevant policies, timetables and information can be found here: <https://broadoakacademy.clf.uk/key-information/exam-information/>

**Exam Rules and regulations** - Mobile Phones/ watches are not allowed in exam. Students should put all mobile devices, including headphones and watches, in their bags before they go into the exam room. If they do not, they could be disqualified.

Students are allowed a **water bottle** in the exam. Please provide them with a clear plain refillable water bottle for use during exams.

**Coursework** – all students have been given their coursework marks by their teachers and informed how to request a review of their marks should they have any concerns. The final deadline to raise a formal request for a review of marks is Friday 13<sup>th</sup> May. Please use [parents@broadoakacademy.clf.uk](mailto:parents@broadoakacademy.clf.uk) FAO Exam Officer.

# Revision

**Revision Support for Parents** – please see attached document for top tips to support your child with revision. Students should be revising and completing homework for at least two hours a night. Teachers are setting highly-structured homework to support revision, this can be viewed on Show My Homework (<https://www.satchelone.com>).

**Revision Breakfast** – every day at 8am from now until exams finish there will be revision breakfast for year 11s in the dining hall. All students welcome for a free breakfast, to get support with revision and to seek advice about their wellbeing. We strongly encourage all students to attend these sessions, especially on the mornings they have exams.

**Period 7 Revision Sessions** - after school revision continues to run throughout the exam period. Please encourage your child to attend period 7. Details available from Mr Thorp-Greenwood.
