# Year 11 Newsletter Summer 22-23

## Welcome to Y11 from the Principal

As we approach the end of the school year, it would be easy to just see things through to the summer holiday and then recommence in September with Year 11. However, that's not how we do things at Broadoak. We have been working with our Year 10 students throughout this term – guiding them through their PPEs, supporting them with exam expectations, serving them exam breakfasts and reminding them that they are #simplythebest.

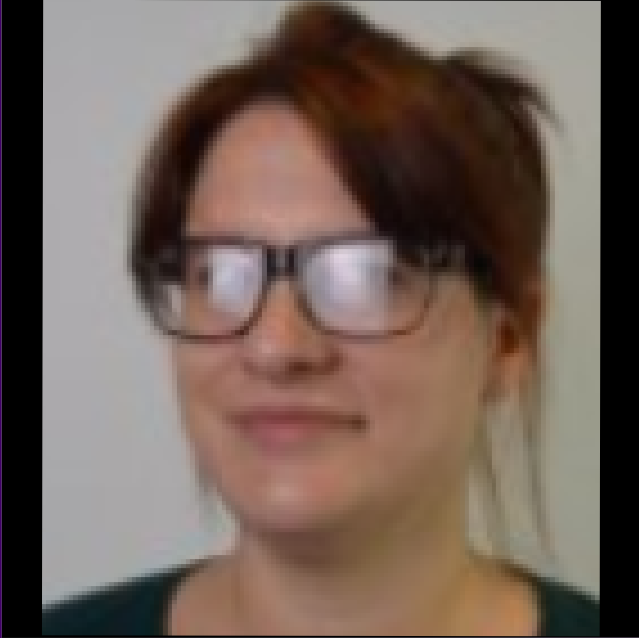

It is a real pleasure to watch them mature towards Year 11 and, if truth be known, we already see them as Year 11 because of how fantastic they are. As parents/carers, you can expect to have regular communication from us about the various events and information you will need to know as we move through the next school year. This starts today with the first of our bespoke Year 11 Newsletters. There will be further newsletters, letters and information evenings to look forward to, all to keep you informed as well to work with you in supporting our young people to do the very best they can.

For now, I wish all a relaxing and safe summer break. I look forward to continuing our journey in September with this fantastic group of young people who as we know, are #simplythebest!

We were so proud of the intense hard work that went into preparing our students for their PPEs. This involved tutors delivering a rigorous programme of tutorial sessions that will continue into Year 11. That first 20 minutes of the day was key to setting the students up for the upcoming exams. In addition, our student support team met with students 1.1 to enable them to speak about the upcoming exams, ask questions and get support to access revision materials. Not only this, but lots of colleagues were at school throughout the exam period making breakfast to fuel the new Y11 as they embarked upon such a tough period of time.

## Upcoming Events

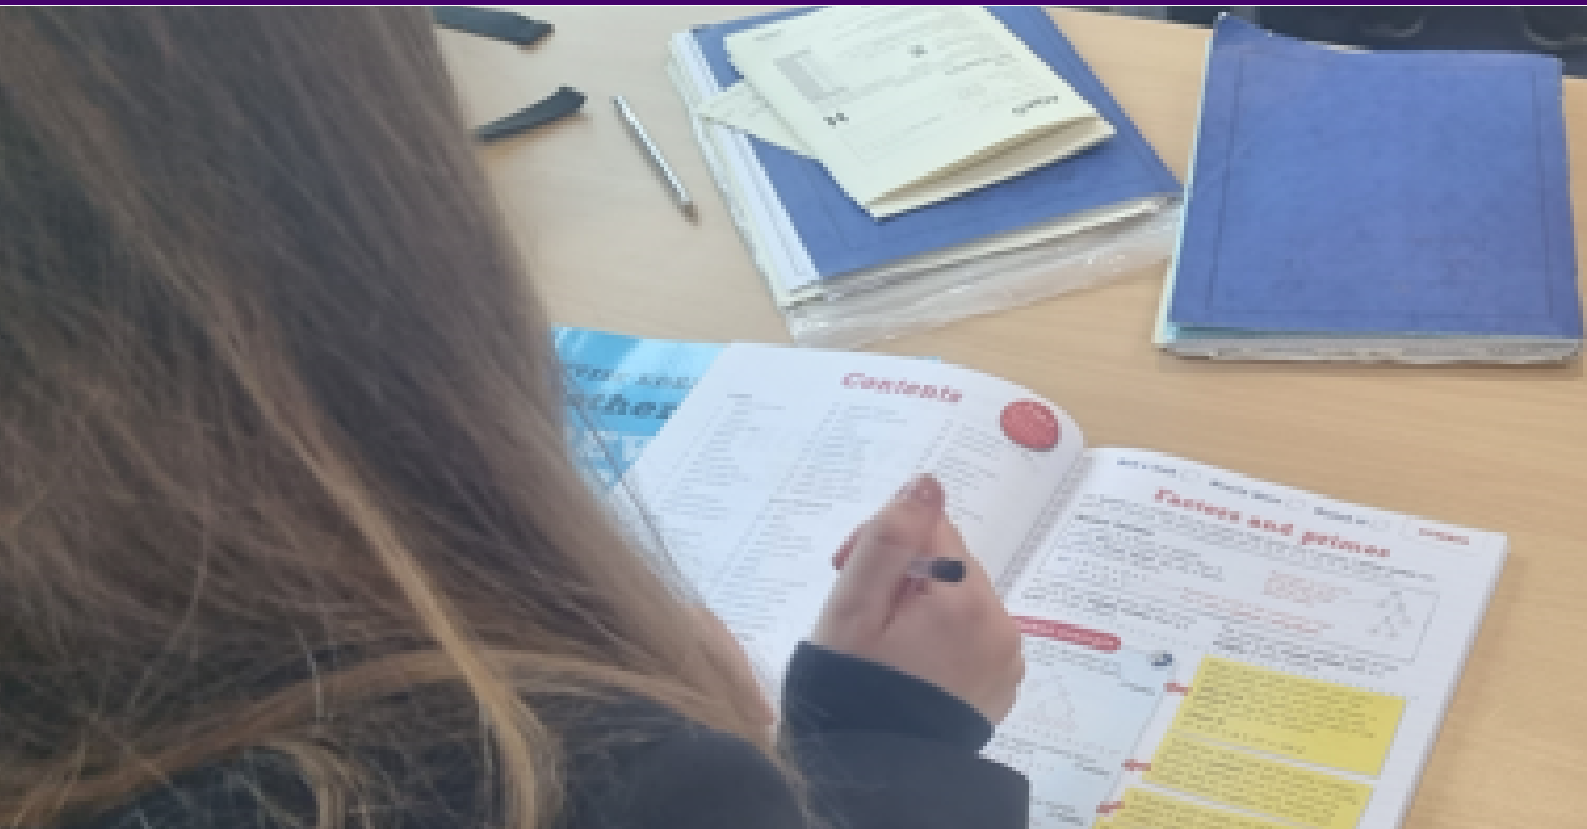

- 12th July Weston College Taster Day (trip)
- 13th July Into Apprenticeship presentation and sessions (in - school event)
- 18th - 20th July Work Experience (at employer - all students based out of school)

## Before and After School Activities

- Mon - Fri 3pm Homework club in the LRC
- Thursday 3pm Rounders
- Mon - Fri 8am Breakfast club (free for all, everyday - no sign up needed)

## Reminders

Results of external examinations will be available on GCSE results day (August 25th 2022). Results of PPEs will be shared with students and families in September 2022.

Our role as tutors can be defined by the following words: attending, belonging and learning. Every morning, our wonderful tutors meet the students and welcome them for the day.

They then engage in a range of planned activities as shown on the table opposite to build their skills and knowledge gradually leading to the final exams

**The Tutor Programme Year 10**

# THE YEAR AHEAD FOR YEAR 11...

## WE ARE 100 YEARS OLD THIS YEAR!

---

*We are excited to remind our families that 2022 is the 100 year anniversary of Broadoak Academy.*

*A school has existed on this site for 100 years; the same year that our Year 11 take their steps through exams and into their post - 16 destinations.*

*Throughout the year ahead we will write to you again, every short term (6-8 weeks) to inform you of the key events, milestones and how you can support their journey at home.*
