Year 11 Newsletter May 2023

Year 11 TIME COURAGE CHOICE

This is it Year 11, the final race to the finish line. It's always at this stage of the race that winners are decided; when the individual finds that important burst of energy, that desire to win, that image on the first placed spot on the podium in their head. That's when they lengthen their stride, when they dig deep, when they prove to themselves that they can do it.

Are you the winner Year 11, each and every one of you? Can you find that final push, that desire to achieve? Of course you can, because you are genuinely 'simply the best!' You have worked for five years to get to this stage of the race. You want those five years to mean something. You want to open that envelope in August and know you did everything you could, you want to feel, 'I won the race!'

You have been a pleasure and a privilege to work with over the past year for me personally. You are full of talent, of character and of dedication and I am very proud of you all. You deserve to be winners, so, dig deep, be confident, go and win the race!

Year 11 The next BIG step...

Year 11... I am so excited for you. 22 days (ish) until your exams; 28 days (ish) of exams and then 50 days (ish) of rest. Then the real fun of almost adult life begins. You embark on those courses that you had full choice over. Some of you will start driving lessons and start gaining more independence. Some advice for you to take with you into this adult world.

- Don't take things personally - what others do is rarely about you - the world doesn't actually revolve around you!
- Don't make assumptions - ask questions.
- Don't use words to hurt others, use them to raise others up.
- Always do your best - if you do this then no one can ask anything more.

You will always be the first year group I have worked with throughout my and your time at Broadoak. I am going to miss you all dearly and don't forget, if you can be anything...be kind.
