

Dear Parents/Carers/Guardians,

On **Saturday 14<sup>th</sup> June**, we will be hosting a Festival of Culture on behalf of the town. The Festival will be held at the school from **11am to 4pm**. We are delighted to be able to say that we will welcome a significant number of community partners to celebrate this day with us.

This event will give students an insight into the rich depth of diversity and culture in the town in which they live. A sense of place and where we fit in, as well as immense pride in our community will be the theme of the week  
**#ManyCulturesOneCommunity**

For example, did you know during wartime Weston played a key role with 80% of the trees in Weston Woods felled for military use?  
Did you know that The Beatles' Victorian swimwear shoot was performed while they were on their 1963 six-day trip to Weston where they performed twice a day at the Odeon?  
Did you know that over 40 cultures are represented within the student body, each with their own flag in our central atrium?

Our community is something to be celebrated and cherished. It is a community which we are proud to be a part of as a school. Come and join us to celebrate this and meet many community partners, take part in activities, enjoy food, music, dancing and to enjoy the sun with your family and friends.

We can't wait to see you there!
